

PUBLICATIONS:

Hanash, S.M., Kavadella, M., Amanullah, A., Scheller, K., **Bunnell, K.**: High Performance Liquid Chromatography of Hemoglobins: Factors Affecting Resolution. *Prog Clin Biol Res* 1981; 60: 53-67

Presented at Advances in Hemoglobin Analysis in Ann Arbor, MI on September 28, 1980.

Amanullah, A., Hanash, S., **Bunnell K.**, Strahler, J., Rucknagel, D.L., Ferruci, S.J.: Cord Blood Screening for Hemoglobin Disorders by High Performance Liquid Chromatography. *Annal Biochem* 1982 July 1; 123(2) : 402-7

Presented at International Symposium on HPLC of Protein and Peptide in Washington D.C. on November 17, 1981.

Hutchinson, R.J., **Bunnell, K.**, Thoene, J.G.: Suppression of Granulopoietic Progenitor Cells Proliferation by Metabolites of the Branched-Chain Amino Acids. *Pediatrics* Jan 1985 Vol 106 no. 1 (62-65)

Hutchinson, R.J., **Bunnell, K.**, Appleyard, J.: Suppression of Normal Granulopoiesis by Human Neuroblastoma Cells. Submitted for publication.

Presented in part at the Seventy-Fourth Annual Meeting of American Association for Cancer Research, May 25-28, 1982, San Diego, CA.

Rodney, W.M., **Zeffer, K.**, Burnett, H.: Patient "Drop-Outs" in a Family Practice Residency: System Dependent vs Physician-Dependent Factors. *Family Practice Research Journal* Vol 4 No 4, Summer 1985 p 226-236.

Zeffer, K.B., Sauer M.R. : Orchitis Following Rubella Virus Vaccination. *J. Reprod. Med* (in press).

Sauer M.V., **Zeffer, K.B.**, Buster J.E., Sokol R.Z.: Effect of Abstinence on Sperm Motility in Normal Men. *Am J. Obstet. Gynecol.* (in press).

Sauer M.V., **Zeffer K.B.**, Bustillo M.C., Buster J.E. : Sterilization Reversals Performed by Fellows In-Training. What Success Rates Can We Reasonably Expect? *Microsurg.* 8:125-127, 1987.

Sauer M.V., **Zeffer K.B.**, Buster J.E., Sokol R.Z., : Automated Videomicrographic Measurement of Sperm Motility in Semen. Normal Values for Men of Known Fertility. *J. Urol* (Submitted).

Sauer M.V, Gorrill M.J., **Zeffer K.B.**, Bustillo M.C. : Attitudinal Survey of Donors to an American Artificial Insemination Clinic. *J. Reprod. Med.* (Submitted)

ABSTRACTS:

Sauer M.V., **Zeffer K.B.**, Buster J.E., Sokol R.Z. : Effect of Abstinence of Sperm Motility Parameters in Normal Men. *The Society for Gynecologic Investigation, 34th Annual Meeting, March 1987, p. 150.*
